Swift One

ALC 3.8% VOL

A pale golden quaffing ale with excellent flavour for its strength. Pleasingly hoppy throughout without being aggressive and also possessing of a fine aroma. The finish is dry with a small twist of sweetness at the end. OK, enough of this pretentious twaddle, it's just a very good beer.

Winner of the South Hants CAMRA's 'Hampshire Beer of the Year' for 2 years, plus boasting a huge list of other cherished awards. An all-round winner!

Wallops Wood

ALC 4.0% VOL

A good light chestnut colour and a rather more malty than hoppy flavour make this very different from our other offerings. A traditional best bitter style that should please the Brown Beer Brigade, making it our, well deserved, 2nd best seller!

Elderado

ALC 3.5% VOL

Ooh... Aah! A subtle injection of Elder Flowers defines this beer. Unlike some other brews of this type, there is no heavy floral scent, but more of the tiniest hint of this spring bloom. This beer has plenty of character and a lovely bitter finish. Another one of our fantastic multi award winning beers.

Quiver Bitter

ALC 4.5% VOL

More pretentious twaddle: Gloriously deep burnished golden colour and with a wonderful mown grass aroma, this premium bitter is full of complex flavours including a tiny amount of caramel. The addition of the unusual American hops gives it a robust hop flavour and a long dry finish. As before, a very good beer!

Nutz

ALC 5.0% VOL

Not a session beer this one. One to be savoured sitting by a roaring log fire. Aroma of chestnuts, intriguing chestnut flavours and rather chestnutty in colour. Which is as it should be, as it is brewed with organic chestnuts from the farm of Patrice Duplan in the Ardeche region of France. Available throughout the winter months on draught and throughout the year in bottles direct from our brewery.

500ml Bottle £2.20
